EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In Claim 16, on line 1, "16" has been changed to -15--.

2. The following is an examiner's statement of reasons for allowance: None of the prior art of record disclosed a system for writing magnetic scales comprising a source of current pulses for both current directions comprising a capacitor bank, a change-over switch, and a control unit where the change-over switch has MOS transistors arranged as an H bridge, and the components are integrated in a rigid unit that is so compact that the current passed through the change-over switch increases to its maximum value through a shaped electrical conductor in less than a microsecond.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
